SPECTRUM – Experience, Capacity, Solutions!

We are an Asset Based Lender and Accounts Receivable Factor with over 13 years of experience in a variety of economic cycles.

In this tumultuous period for lenders, SPECTRUM's disciplined approach and collateral focus allows us to be your resource for those credits that need time to effectuate their recovery. Now more than ever you should call SPECTRUM for:

- Deteriorating or classified credits in your portfolio.
- Prospective credits not yet fitting your lending criteria.

SPECTRUM's financing programs have unique benefits for our referral sources:

- The referring bank can obtain or retain all of the other banking services with SPECTRUM's borrower – you get the deposits and we provide the loans.
- As the referring bank, you can take the credit back at any time you desire with no penalties to the borrower – the referring bank can wait for the credit to recover.
- SPECTRUM's focus on collateral and ineligibles translates into a more disciplined borrower for the bank in the future.
